

THE SUMMER HOUSE

The Summerhouse - An oasis of comfort.

For our brand, we draw inspiration from the lush rainforests and radiant sunlight that surround us. Malaysia boasts some of the oldest and most biologically diverse rainforests in Southeast Asia, creating a heavenly tropical vacation destination with a pleasant climate. We strive to bring this sanctuary-like atmosphere to the airport, providing travellers with a tranquil space to unwind before their onwards journey while enjoying premium food & beverages and comfortable seating.

The Summerhouse is a piece of paradise for all travellers, offering a peaceful retreat in the midst of a busy airport. Our intimate oasis allows guests to reconnect with nature before their flight, elevating the overall travel experience from departure to arrival.

Welcome to The Summerhouse, your gateway to a tropical paradise.
